OLD LEUMEAH RD.  
LEUMEAH

# Bonjour!

We are honoured to extend an invitation to you and your guests to our annual **Ingham Institute International Women's Day Luncheon** which celebrates Women in Science and their achievements and contributions to research and medicine.

In 2024, we invite you to join us for

## *Lunch in Paris*

as we bring all things French to Macarthur!

The Luncheon will be hosted by the beautiful Natalie Barr, where you will enjoy a two course meal, experience exciting festivities such as our (in)famous 'Champagne Stampede'

Our Annual Luncheon raises vital funds towards medical research programs across Cancer, Injury and Rehabilitation, Mental Health, Cardiovascular Disease, Population & Community Health programs, and Clinical Trials being conducted right here in South-Western Sydney.

We hope you will support the invaluable work of the Institute as an event sponsor or as a prize partner. We have three sponsorship levels available including Butterfly (\$2,500), Dove (\$4,000) or Hope (\$10,000). Each of these tiers enjoy a number acknowledgements during the event.

For guests who would prefer a more VIP experience, we have our Diamond (\$25,000) package available.

Our International Women's Day Luncheon is an extremely popular event and sponsorships are limited, so please make sure to secure your spot as soon as possible.

On behalf of the Ingham Institute and our Luncheon Committee, we hope to see you again in 2024!

Lyn Ingham  
Luncheon Patron

# *Bon Appetit!*

The Ingham Institute welcomes you to visit our world-class research facilities and meet with our leading researchers. Come and see how your investment will help the Institute's scientists, researchers & clinicians transform healthcare in your community.
